Technology Plan Update
June 2005

1. When did you last submit your technology plan?

If you last submitted your technology plan in 2003 or earlier, please send the State Library a new one by June 17, 2005. Look at http://www.sos.mo.gov/library/certifications/tech_planning.asp for more information on library technology plans.

2. If you submitted your technology plan since 2004, have you made significant changes to your computer network since your submission?

❑   YES   ❑   NO

If you answered yes to question 2, please answer question 3. If you answered no, please skip to the bottom of the page and complete this form by signing below.

3. If you made significant changes to your technology plan, what changes did you make? For instance, did you install a new computer lab, videoconference system, or automation system in the past year? Attach other pages as necessary.
